From The Aware Show host, Lisa Garr: "Over the past decade I've had the incredible privilege of sitting down and interviewing some of the most recognized spiritual, medical, scientific and new- thought leaders of our times – they've all been guests on my KPFK radio show.

I've asked the questions You most want answered – because I have a thirst for this kind of knowledge, too! I'm learning right along with you! And now I'm making this vast collection of informative, insightful interviews filled with practical information available to you – so that you too can have the opportunity to learn, grow, inspire and live your best possible Aware life."
